

ABOUT MARTINEZ YOUTH FOUNDATION

Golf, unlike most ball games, does not require a standardized playing area. The game is played on a course with an arranged progression of either nine or 18 holes. Each hole on the course must contain a tee box to start from, and a putting green containing the actual hole or cup.

ABOUT KIDNEYS QUEST

KidneyQuest is dedicated to empowering individuals and families affected by kidney disease through education, support, and community outreach. Our mission is to increase awareness of kidney health, promote early detection, and provide resources that improve quality of life for patients and caregivers alike.
